This report traces their descendants through several generations. It is not complete but should help readers trace their connections to this family.

First Generation

1. John Kerr. Born in Antrim, Ireland. John died in Guysborough Road (Devon), Halifax Co. Buried in Old Cemetery at Gays River.

John was from the Kerr family of Clintyfinnan, Antrim - see research done by Andrew Kerr of Cardiff, Wales - "The Carrstoon Kerrs, A Family History" (2020).

From "History Along the Old Guysborough Road", by Annie Blois Smith and Noreen E. Gray, 1987. "John Kerr and his wife Ann Guthrie of Antrim Parish Withstrow, Ireland (near Londonderry) came out to Nova Scotia in 1816 and took up land on the Guysborough Road near the Antrim crossroads. It was believed they were the first settlers on this section of the Guysborough Road and that the village of Antrim received its name from this family. John Kerr died young leaving his wife with six children, Samuel, Jane, Ann, James and John, the name of the sixth is unknown. James Kerr married Jane Mullen and this couple operated Kerr's Inn near the Antrim crossroads. The Kerr Inn was a welcome sight to the weary traveler of the 1860s as it was the last resting place on the route to Musquodoboit. James Kerr and his family lived a busy life for besides operating the inn and farm, they operated a small grocery store and post office. Teachers from the nearby Antrim school also boarded here. We were informed that the road from Kerr's onward toward Musquodoboit was passable at best and in the spring the conditions were deplorable. Spring flooding often caused wash outs so that stage coaches would be held up for days at the inn awaiting better road conditions or for the repairs to wheels and axles."

The Kerr genealogy (Smith, Mabel. 1971. The Genealogy of John Kerr and Ann Guthrie. Updated by Brenda Reid in July, 1986) says they came at the same time as the McMullen's¹, and on the Guysborough Road they were neighbours. The McMullen's came from Derrykeigan, Antrim, which is only 7 miles from Clintyfinnan Road. They must have all known each other. Along with the McMullen's were the McFetridge's and the Redmond's, all within the same small radius in Ballykeigan and all settled on the Guysborough Road, "New Antrim", NS.

From Terry Whalley, Jan. 2007, "John Kerr (pioneer) came to NS at age 46 to manage the summer estate of Lord Dalhousie."

Jean Kerr (1781-1862) married John McMichael (1780-1867) and they emigrated at the same time to the same area and were of the same age. Mary Jane McMichael, d/o Jean Kerr, married John Kerr Jr., son of John Sr. I could easily guess that Jean (Kerr) McMichael was a sister of John Kerr Sr. Please see my McMichael register.²

John married **Ann Guthrie**. Born in 1780 in Antrim, Ireland. Ann died in Guysborough Road (Devon), Halifax Co., in 1867; she was 87. Buried in Gays River Church Cemetery.

She is said to have been from the Parish of Withstrow. Probably a niece or other relative of Jennet Guthrie (b. 1738),

From Mabel Smith's Kerr genealogy, "Samuel Kerr, 1804-1880, lived at Antrim, Nova Scotia, married Margaret McKeen, second daughter of John and Isabel (Thompson) McKeen, who kept an Inn at Gay's River. Mrs. John McKeen, mother of Margaret, died suddenly in her early forties. Her eldest daughter was to marry James Etter of Shubenacadie and Mrs. McKeen and Eliza Ann, the bride-to-be, went to Halifax to purchase her trousseau. Their mission accomplished, the excitement and fatigue proved too much for Mrs. McKeen. She died on the street of a cerebral hemorrhage, leaving several quite young children. Eliza Ann married James Etter in four months time, but Margaret, engaged to Samuel Kerr, took her mother's place and refused to marry until after the death of her little invalid brother."

DICKIE, Edwin James (Ted), BSc, PEng; 88 Dartmouth, formerly of Stewiacke. A good and honest man died August 27th, 2010 on what would have been his 61st Anniversary. Ted was born at home in Stewiacke on January 5, 1922 to Nellie (Gould) and Rufus Dickie. His childhood was full of adventure with his 3 brothers, 2 sisters, a pet bear named Billy, and a team of great Dane dogs whose leader Danny would haul Dad and his siblings around town in a sleigh. His playground was the "Canadian Lumber Co." which was one of the biggest logging operations in N.S. at the time. His growing-up years spanned the Great Depression, the tail end of the Age of Iron Men and Wooden ships and the space between two World Wars. Dad was greatly influenced by all three events and had many stories of the exploits and strengths of the company loggers who still used taxes, buck saws and horses to get the logs out. Much time was spent at Clam Harbour, at the family cottage, where he met the love of his life at the age of 13 - Florence MacKinnon - and promptly married her in a mock wedding on the beach. Many events would transpire before their real wedding in 1949, including getting his pilot's license on his 17th birthday, finishing school and earning a BSc at Mount Allison University, where he narrowly escaped death when his residence burned down. He was a 2nd Lieutenant in the Cadet Officers Training Corp there. He later graduated from McGill University as a Mechanical Engineer and began work in the Canadian Lumber Company, first in Stewiacke, then in mill sites at Barney's River, Glenelg, NS and Gillis Dale. Ted and Flo had three children, Paul (Maxine), Mark, and Jan (Fred Watkins). When Paul was of school age, they moved from the mill camps to Stewiacke. In 1955, Ted left the lumber business and began exporting wild Christmas Trees to the States. In Stewiacke, he was a member of the United Church, a Gyros leader and a member of the school board at various times. He eventually took a job with the Voluntary Economic Planning Board and then with the NS Department of Development in Halifax. The family moved to Dartmouth in 1963. Dad is survived by his sister Lois (McMillan) and was predeceased by wife Florence, brothers Donald, Harold and his sister Alice (Hampton). He is fondly remembered by his children and grandchildren- Heather, Michael and Allison Watkins and Chelsea and Ryan Dickie. Interment at Pine Grove Cemetery in East Stewiacke.

- On 27 Aug 1949 when Edwin James (Ted) was 27, he married **Elizabeth "Florence" MacKinnon.** Born in 1916. Elizabeth "Florence" died in 2007; she was 91. Buried in Pine Grove Cemetery, Stewiacke East.

v. **Lois Ellen.** Born on 24 Aug 1925 in Stewiacke, Col. Co., NS. Lois Ellen died in Bethesda, Maryland, on 4 Dec 2018; she was 93.

She graduated from Mount Allison University, Sackville, New Brunswick, Canada in 1946. While there, she was Secretary of the Women's Council and Vice President of the Student Union. Following school, she moved to Montreal and worked at the Pathological Institute of McGill University, where she met and married Dr Gardner Craddock

Kerr Family of Halifax Co., Nova Scotia

McMillan in 1948. They moved to Switzerland for a year for her husband's studies, then moved to Lachine, Quebec, Canada to raise their family. They moved to Bethesda, MD in 1967 where her husband worked at the National Institutes of Health (NIH). She participated in art shows sponsored by the Welcome to Washington International Club, showing her water color paintings.

She was predeceased by her parents, Rufus Edward Dickie and Ellen Fletcher Gould Dickie; her husband of 56 years, Gardner Craddock McMillan; and her son, William Edward 'Ted' Dickie McMillan (1950-2016). She was survived two daughters and their spouses; a son; two daughters-in-law; five granddaughters; three grandsons; two great-grandchildren; a sister-in-law; and a cousin.

Lois Ellen married **Dr. Gardner Craddock McMillan**. Born on 10 Nov 1918 in Lachine, Quebec. Gardner Craddock died in Bethesda, Maryland, on 8 Apr 2004; he was 85.

He graduated with a degree in medicine from McGill University in Montreal, Canada in 1944, having won the John Munro Elder Prize for Honors studies in anatomy. He received his Masters degree in 1946 and a PhD degree in 1948. He was a Markel Scholar in Medical Science and began his research career with investigations of human and experimental atherosclerosis. Among his early work was the paradoxical observation that experimental diabetes, induced by alloxan, inhibited the atherosclerosis resulting from feeding cholesterol to a rabbit. As a result of this fundamental research, it became known that some lipoprotein particles are atherogenic whereas others are not, and it likely caused the speculation that the cause of atherosclerosis was far more complicated than being solely caused by too much cholesterol in the blood. He also studied the effects of undernutrition and of cortisone on cholesterol-induced atherosclerosis. He served as Strathcona Professor of Pathology and became Chairman of the Department of Pathology at McGill University. He was also chief of Pathology at the Royal Victoria Hospital in 1957, and a consulting pathologist, through 1966, to the Royal Edward Laurentian Hospital, the Montreal Neurological Institute, the Montreal Children's Hospital, the Montreal General Hospital, and the Jewish Hospital of Hope. He became a fellow of the Royal College of Physicians and Surgeons of Canada (Pathology) in 1964. He continued to study human and experimental atherosclerosis, reporting on the effects of saturated, unsaturated, and trans-fatty acids in cholesterol-fed rabbits and on amino acid deficiencies. He received the AHA Citation for Distinguished Service to Research in 1965. He joined the National Institutes of Health (NIH) in 1966, first as a consultant and then as special assistant to the Director of the Heart Institute (1968), as Chief of the Arteriosclerosis Diseases Branch, and, between 1972 and 1991, as Director of the Arteriosclerosis, Hypertension, and Lipid Metabolism Program at the National Heart, Lung, and Blood Institute. Through his efforts, the NIH pioneered research programs on nutrition, lesion dynamics, and the relationship of hemodynamics to atherogenesis, which led to the establishment of nonhuman primate resources. He retired in 1991.

He was survived by his wife, Lois Ellen Dickie McMillan; two sons and their spouses; two daughters and their spouses; and eight grandchildren.

Barbara Lorna Ross. Our mother passed away peacefully at home on March 18th at the age of 72. Mum was born on 25 September 1947 in Springhill, NS. She was the middle child of Donald and Lorna (Kerr) Urquhart. Mum is survived by her two siblings Carol Riopel and Jack Urquhart (Connie); three daughters Kelly Ross, Amy Wilson (Alan) and Jennifer Ross; five grandchildren Liam, Sylas, Bronwyn, Julianna, and Evan; two nieces & three nephews, 26 first cousins; and her beloved dog Bella. As a child, mum and her family moved to Marville, France where her father was stationed as a member of the RCAF. Mum always spoke very fondly of her time overseas and the lasting friendships she made. Camping with Girl Guides and travelling around Europe on family vacations were her most cherished memories. Life eventually led them back to Canada where she went on to complete her schooling which led to a career as a dietitian. She was a dedicated and hardworking employee at Northwood in Halifax for 26 years. Once she retired in 2009 she worked part-time for Hallmark cards and volunteered at the foodbank and church suppers. After certifying Bella as a therapy dog, mum enjoyed taking her on weekly visits to see the residents at Sagewood. But above all, her most meaningful and cherished role was being "Grammie". Mum, we are forever grateful to you for working tirelessly to provide us with a great life. You always demonstrated by example how to be strong and independent. You filled our lives with unconditional love, cookies and pies made to perfection,

KERR, Merlin – Meagher’s Grant. It is with sad and heavy hearts that we announce that, after a brief illness, Merlin Cecil Kerr “Bumpy”, 85, passed away on July 12, 2019 surrounded by his loving family. Merlin was a proud member of the Nova Scotia Construction Association. Merlin provided employment for many individuals across the province and locally at River Oaks Golf Club.

In the early 80s his thoughts turned to golf and Merlin designed and built his own 18 hole golf course, River Oaks Golf Club in Meagher's Grant, NS. Later on he added an eight unit hotel with swimming pool along with a 9 hole golf course, River Oaks South through the hills of Lower Meagher's Grant below the former fire tower.
